It is suggested that the Akash-Vani Station may be declared a protected area under the Defence of India Rules as applied to Mysore. Rule 8 of the Defence of India Rules under which any area may be declared a protected area appears to contemplate areas of some extent and not rooms or buildings. Sub-rule (2) for instance states that no person who was not at the beginning resident in the protected area shall continue to be there except under a permit.* It appears preferable therefore to declare the Akash-Vani Station as a protected place under rule 7. A number of important places have been declared as protected places and the security

GENERAL AND REVENUE SECRETARIAT,

D. O.

No. Ld 425 / 8+725-39-20

Dated Bangalore 6th September 1941.

My dear Major Macann,

In continuation of my D.O. letter No.735/C.B. of the 22nd August 1941 regarding the censorship and control of broadcasting, I am desired to state that the following arrangements have been made by Dr. M.V. Gopalaswami who is in charge of the Moghvani Station, for the censorship, control of microphone artistes, and access to technical equipment in order that there may be real safeguard against misuse.

1) Censorship of matter broadcast.

Scripts of all Radio talks are received in advance and scrutinised by Dr. Gopalaswami and by the programme staff. The subjects of talks are so chosen that they are of a non-political nature except ofcourse such propaganda as forms part of the war-efforts of the State.

2) Control of microphone artistes.

Musical performances are arranged with the help of the artistes who have worked at the Station for a number of years and whose integrity there is no reason to doubt. In any emergency the programme can be cut off instantaneously by the staff at the switch board.

3) Access to Technical equipment.

Except the permanent staff of the Station no one is allowed into the Transmitting room; when visitors of standing and known respectability desire to see the equipment they are conducted by some responsible member of the staff.

I am also to add that arrangements are under consideration (a) to declare the station premises a protected area and to provide a Police-guard so as to prevent any unauthorised person

person from forcing entry into the transmitting room etc., and (b) to obtain in future, regular periodical Police reports regarding the integrity of all the members of the station staff and the microphone artistes.

Yours sincerely,

Sd/ B.T. Kesaviengar,

Major A.W.H. Idrees,
Secretary to the Hon'ble
